Macquarie Street South Junction Upgrade - Survey

Survey closes
11.59pm, Sunday 01 November 2026

Macquarie Street South Junction Project

Community Feedback Survey

The City of Hobart is seeking community feedback on proposed concept designs for the Macquarie Street, D'Arcy Street and Washington Street intersection.

The project aims to explore opportunities to improve safety, accessibility, connectivity and public space for people who live, work, travel through and visit the area.

No final decisions have been made. Your feedback and local knowledge will help us refine the concept designs and inform future planning and design work.

Why is your feedback important?

Community feedback will help us understand:

- What is working well in the area
- Community priorities for future improvements
- Opportunities and concerns that should be considered
- Local knowledge that may help shape future designs

Community-informed concept designs can also strengthen future funding applications by demonstrating community support and local need.

Please answer as many questions as you can. The survey should take approximately 5-10 minutes to complete.

Survey closes: 11.59pm, pm, Sunday 01 November 2026

Prize Draw

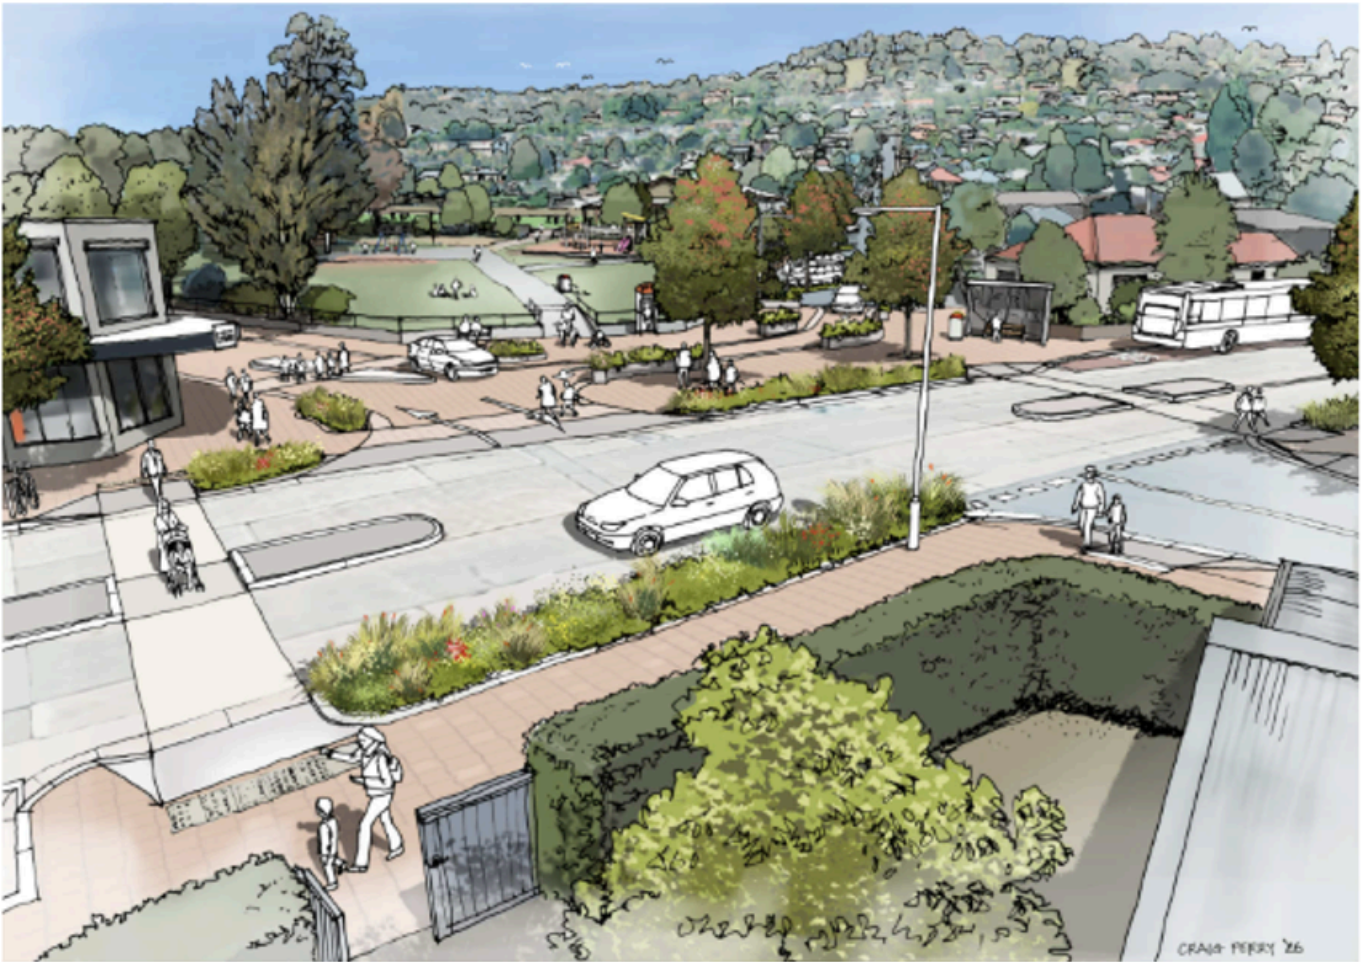

As a thank you for participating, completed surveys will have the option to be entered into a draw to win one of five Hello Hobart Gift Cards.

To enter, please complete the contact details section at the end of the survey.

1. Having reviewed the proposed concept design, to what extent do you support or oppose the proposal overall?

Required

- ☐ Strongly support
- ☐ Somewhat support
- ☐ Neither support nor oppose
- ☐ Somewhat oppose
- ☐ Strongly oppose
- ☐ Unsure / need more information

2. What are the main reasons for your response?

Please tell us what you like, dislike, or would change about the proposal overall.

This question is optional.

City of HOBART

4. What are the main reasons for your response?

Please tell us what you like, dislike, or would change about the proposal to make Washington Street one-way at the junction.

This question is optional.

5. How safe do you feel walking through the Macquarie Street South Junction area today? Required

- ☐ Very safe
- ☐ Safe
- ☐ Neither safe or unsafe
- ☐ Unsafe
- ☐ Very Unsafe
- ☐ Not applicable

6. How safe do you feel riding a bike or scooter through the area today? Required

- ☐ Very safe
- ☐ Safe
- ☐ Neither safe or unsafe
- ☐ Unsafe
- ☐ Very Unsafe
- ☐ Not applicable

City of HOBART

7. How safe do you feel driving through the area today?

Required

- ☐ Very safe
- ☐ Safe
- ☐ Neither safe or unsafe
- ☐ Unsafe
- ☐ Very Unsafe
- ☐ Not applicable

City of **HOBART**

8. How Do You Use the Area? Select all that apply.

- ☐ I walk through the area
 - ☐ I ride a bike or scooter through the area
 - ☐ I drive through the area
 - ☐ I catch the bus through the area
 - ☐ I travel through the area as part of my regular commute
 - ☐ I drive a delivery, service or heavy vehicle through the area
 - ☐ I live in or near the project area
 - ☐ I own property in or near the project area
 - ☐ I own, manage or work at a nearby business
 - ☐ I visit nearby shops, cafes or services
 - ☐ I am part of a school community
 - ☐ I use the nearby park, courts or oval
 - ☐ I am a member of a community or advocacy group
 - ☐ Other (please specify)
-
-

City of HOBART

9. How Often Do You Use the Area?

- ☐ Daily
- ☐ Several times a week
- ☐ About once a week
- ☐ A few times a month
- ☐ Less than once a month
- ☐ This is my first time visiting the area
- ☐ Other (please specify)

City of HOBART

10. Which of the following proposed changes would help make the Macquarie Street South Junction safer and more comfortable to use? Select all that apply. Required

- ☐ Additional pedestrian refuge islands on Macquarie Street and D'Arcy Street
 - ☐ Raised pavement treatments on D'Arcy Street, Washington Street and at the park entrance
 - ☐ A lower speed limit through the junction area
 - ☐ Marked pedestrian crossings
 - ☐ Making part of Washington Street one-way to change traffic patterns and help slow traffic
 - ☐ Improved accessibility for people using wheelchairs, mobility aids and prams
 - ☐ Improved visibility between pedestrians and drivers
 - ☐ Clearer traffic movements and road layouts
 - ☐ None of these improvements would make a meaningful difference
 - ☐ All of these improvements would make a meaningful difference
 - ☐ Other (please specify)
-
-

11. Thinking about the proposed changes, what are the three most important priorities the City of Hobart should consider? Required

Mark your choice by adding, 1, 2 or 3 in order of your top three priorities

Additional pedestrian refuge islands on Macquarie and D’Arcy Streets
Raised pavement on D’Arcy and Washington Street as well as at the South Hobart Playground entrance
A lower speed limit throughout the junction area
Safer pedestrian crossings, including zebra crossings
Make part of Washington Street one-way to change traffic patterns and help slow traffic
Improved accessibility for people using wheelchairs, mobility aids, prams, and with vision impairment
Improved visibility between pedestrians and drivers
Clearer traffic movements and road layouts
None of these improvements would make a meaningful difference

12. What would encourage you to spend more time in the Macquarie Street South Junction area? (Select all that apply) Required

- ☐ More seating and places to relax
 - ☐ More trees, greenery and shade
 - ☐ Improved safety for walking, cycling and crossing the road
 - ☐ A quieter and more comfortable environment
 - ☐ Better access to the park and surrounding area
 - ☐ More support for local businesses and activity
 - ☐ More local character through public art, history and storytelling
 - ☐ More opportunities to connect with friends, family and neighbours
 - ☐ More community events and activities
 - ☐ Better accessibility for people of all ages and abilities
 - ☐ Improved public amenities (e.g. lighting, drinking fountains, bike parking)
 - ☐ Better protection from weather (wind, rain and sun)
 - ☐ More opportunities for children and families
 - ☐ A place to stop and take a break while passing through
 - ☐ Nothing would encourage me to spend more time in the area
 - ☐ Other (please specify)
-
-

13. Are there any other specific issues or opportunities Council should consider as part of this project?

This question is optional.

14. Enter the draw to win one of five Hello Hobart Gift Cards (optional).

As a thank you for participating, survey respondents can choose to enter a draw to win one of five Hello Hobart Gift Cards.

To enter the draw, please provide your full name and a valid email address OR phone number below. Entries are limited to one per person, with only one entry accepted per email address or phone number. If you do not wish to enter the draw please leave this section blank.

Winners will be drawn on 7 November 2026 and notified using the contact details provided.

Full Name

Email address Or Phone Number

Optional

☐ I agree that my feedback may be used in project communications, reports and public documents. Any published comments will be de-identified.

Prize Draw Privacy Notice

The personal information you provide, including your name, email address and/or phone number, will only be collected for the purpose of administering the prize draw and contacting prize winners. This information will not be used for any other purpose, shared with third parties, or added to any mailing lists.

Thank you for taking the time to share your feedback.

Your input will help inform the future planning and design of the Macquarie Street South Junction project.

Community feedback will be considered alongside technical assessments and other project requirements as Council explores potential improvements to the area.

Completed surveys can be returned to City of Hobart staff at any project engagement activity or dropped off at the Hobart Council Centre during business hours before 1 November 2026.
